RE: Himco Landfill, County Road 10
Elkhart, Indiana

Dear Ms. Swales,

This is our follow-up response to Mr. Thomas Geishecker's letter dated March 8, 1989 and received via certified mail on March 13, 1989. We are a civil engineering and land surveying firm and handle no hazardous waste materials. Our contract with Himco is to remove general office trash and debris, e.g. paper, cardboard, magazines, etc.

Should you need any further clarification, or information, please call.

Sincerely,

Brads-Ko Engineering & Surveying, Inc.
